## **International Comenius Week 2022**

**25<sup>th</sup> – 29<sup>th</sup> April 2022**

We are living in a world that has become increasingly reliant on globalisation and international links yet the actual reality of travel itself is a precious and relatively rare occurrence now due to the Covid – 19 pandemic. We would like to offer students from our European partners in Comenius the chance to come to Winchester to share ideas, experiences and reflections during our International week.

Winchester is the ancient capital of England with many historical wonders situated nearby and only an hour by train from London. Our University is in the centre of the city and you will be hosted by students and staff from the Institute of Education, which sits within the University of Winchester.

Activities during the week:

- Campus tour
- The chance to sit in on seminar sessions with our undergraduate cohort
- A visit to a Primary school (4 – 11 years)
- Workshops on aspects of the curriculum
- Tour of Winchester
- Trip to Stonehenge
- Trip to Oxford
- Chance to present workshops to peers
- Social activities with English students and fellow international week attendees

Costs:

Attendees to pay for flights, food and accommodation while here:

The University will pay for transport and entrance to visits during the week

All course materials will be provided

We will host a meal for the group at the end of the week

Arrivals on Sunday 24<sup>th</sup> April and the programme will start on campus on Monday 25<sup>th</sup> April 2022 and will finish on Midday on Friday 29<sup>th</sup> April 2022.

Best airport to fly into is London Heathrow and then you can either catch the train or a coach to Winchester which is roughly 60 miles south west of London. If you plan on getting the train you would need to travel into London on the underground and get to Waterloo to catch the train out from there.
